

Product Change Notification

PCN#: CIF-P20190927

Subject: Product Change Notice for Cervoz Industrial Flash Modules

Form Factors: 2.5" SATA SSD, mSATA, M.2 2242, M.2 2280

Reason for Change: Since Micron upgrades MLC NAND Flash process from 2D MLC to 3D MLC, therefore Cervoz adopts the new Micron flash technology and announces a "Product Change Notice" of all related products.

Description: The hardware design, controller are the same as the current products. Regarding device parameter, all replacement models have the same function, C.H.S. and LBA value; customers can easily switch the Cervoz flash products in the current applications with the replacement models. Cervoz' flash product families remain unchanged (e.g.: 335, 336), however the P/N are changed to the 3D MLC naming.

Last Purchase Date: 2019.12.27

Last Shipment Date: 2020.03.27

Families and Form Factors Affected:	
Family	Form Factor
M335	2.5" SATA SSD, mSATA, M.2 2242, M.2 2280
M336	2.5" SATA SSD, mSATA
M339	2.5" SATA SSD
R335	2.5" SATA SSD, mSATA
R336	2.5" SATA SSD, mSATA

Please note:

- 1) Please refer to attached excel file for the replacement models.

Sincerely yours,

Alex Lee.
